

Payment Receipt

2019 Winter Session Parking Permits

- The effective date is 01/01/19 for Winter Session parking permits. To park on campus prior to the effective date, you must display another valid parking permit or purchase an hourly or daily permit from a pay station.
- **During WINTER SESSION ONLY, physical parking permits are not issued or mailed for online purchases.** Please click Print Temporary Permit below to retrieve your Winter Session parking permit which must be displayed face up on the front driver side dashboard of your vehicle -- the printable Winter Session parking permit serves as your parking permit for WINTER SESSION ONLY.

Spring 2019 Parking Permits

- **The effective date is 01/18/19 for Spring parking permits.** To park on campus prior to the effective date, you must display another valid parking permit or purchase an hourly or daily permit from a pay station.
- **This receipt is not a parking permit.** If available, please click Print Temporary Permit below to retrieve your temporary parking permit, which must be displayed face up on the front driver side dashboard. Temporary parking permits are generally only issued during permit sales beginning a week prior to the effective date.
- **Temporary parking permits are valid beginning either on the date of purchase or the effective date of the purchased permit, whichever is later.** Temporary parking permits are only available to print and be displayed starting on the first effective date of the actual parking permit. Please note the effective and expiration dates of your temporary parking permit prior to its display and use.
- **If you do not receive your purchased Spring 2018 parking permit in the mail prior to the expiration date of your temporary permit, please visit the Parking Services office to follow-up.** Vehicles displaying an expired or otherwise invalid parking permit may be subject to citation, so please note the expiration date of your temporary permit.

PLEASE NOTE: To log out completely, you must close all windows in your web browser by clicking the 'X' on each tab.
